2018

WELCOME!

Since the inaugural festival in 1972, Northern Lights Festival Boréal (NLFB) has taken place every July in the community of Sudbury, ON. As the longest continually running outdoor music and arts festival in Canada, NLFB has become a true gem of Northern Ontario arts and culture.

I'd like to take this time to welcome all new and returning vendors to the #NLFB2018 festival. We're going to knock it out of the park! Enclosed in this document you will find a detailed outline of festival information and vendor requirements. Please read the document **in its entirety**. I hope this information will help to ensure this year's Festival is well-organized and a truly fun event for everyone involved.

FESTIVAL ACCESS

Vendors are provided with a maximum of 4 vendor passes per day for staff/helpers. These passes can be swapped between staff for shift changes etc. Please contact Izzy (marketing@nlfb.ca) if you require more.

All vendor names and the names of staff/helpers **must** be provided to NLFB prior to [June 22, 2018](#). Failure to do so may result in the staff member or helper not being able to access the festival grounds without purchasing a pass.

Due to spatial restrictions, NLFB is not able to provide vendors and staff/helpers with automatic access to the main-stage feature concerts (i.e. night concerts in the Grace Hartman amphitheatre). Vendors can, however, enjoy evening's entertainment at the Canvas Cabaret stage, if applicable. Passes for main stage feature shows can be purchased at the ticket booth.

TEAR DOWN

Vendors can tear down [Monday, July 9, 2018](#). Vendor vehicles are permitted on-site during tear down and all items brought into the site must be removed, excluding regular garbage (cooking oil etc. not included). Any equipment left on-site may be removed and disposed of by NLFB or City staff.

When can we tear down?

Monday July 9: between **10:00 A.M. and 6:00 P.M**

PLEASE NOTE: IF YOU WOULD LIKE TO TEAR DOWN ON SUNDAY NIGHT, YOU MAY DO SO BUT THERE ARE NO VEHICLES ALLOWED ON SITE BEFORE 1:00 A.M. AS IT IS A DANGER TO STAFF, VOLUNTEERS, AND ATTENDEES. YOU MAY CARRY OUT EQUIPMENT BY HAND OR TROLLEYS.

SAFETY & SECURITY

Safety of the festival is monitored around the clock during the festival days. 20-30 Site Patrol volunteers and trained security officers will be circulating the grounds during festival hours. Site Patrol and paid security will be circulating vendor booths at night to help ensure the protection of products. All Site Patrol volunteers are bondable and many have been volunteering as site patrol for many years. Police presence will also be seen at the festival to reinforce security and ensure that the festival maintains an environment that is both fun and safe for everyone.

Covering vendor products and booths after-hours is highly recommended to further ensure that products are not tampered with or damaged by weather.

NLFB cannot be held accountable for any missing or damaged items.

Officials from the Fire Marshall's office and the Sudbury and District Health Unit will be present to ensure the proper health & safety guidelines are adhered to. It is absolutely necessary that all vendors conform to the guidelines provided.

Volunteer medical first responders will be onsite throughout festival weekend providing first aid services. All persons within festival grounds are encouraged to use these services if required. The first aid area will be located near the main festival gate, which is off of Paris St.

WHAT DO I NEED TO BRING?

Canopies, tents, chairs and tables are not provided by NLFB and must be brought into the festival for Artisans, Retailers and Food Vendors. Chairs cannot be guaranteed. *except for **Makers North Pavillion**. Chairs, a shared tent and a table will be provided.*

Tents, tables etc. can be rented at Rent-N-Party (www.rentnparty.com) or Pete's Rental (www.petesrentall.ca) both located in Sudbury, ON. Both have done many rentals for NLFB in the past.

Vendors who require electric power and have previously stated this on their vendor application form must provide their **own extension cords**.

So bring:

- Tent
- Table
- Chairs
- Extension cords (if you require power)
- Lights (if you require power)
- Battery powered lights (if you don't have power)

FOOD VENDORS

All food vendors must have applied for a Special Occasion Food Service Permit with the Sudbury and District Health Unit. A copy of this approved permit must be issued to NLFB.

Food Vendors **MUST** provide their own **fire extinguishers** if they are cooking using high heat or open flames. If these vendors are using a canopy/tent, it must be flame retardant. We have our local firemarshall do a walk around the site to make sure vendors are abiding by these rules. Such vendors will not be permitted to operate without this.

Here is a beverage pricing guideline. We request that you abide by these prices to satisfy festival attendees. Only recyclable containers will be accepted, and vendors are encouraged to promote the use of reusable cups.

Selling **bottled water** is NOT PERMITTED this year.

PLEASE NOTE: ALL SPECIALTY BEVERAGES ARE NOT INCLUDED IN THIS BEVERAGE GUIDELINE AND CAN BE PRICED REASONABLY, AS EACH VENDOR SEES FIT.

PRODUCT	PRICE LIST
Soda: 355ml can	\$1.00-\$2.00
Soda: 591ml bottle	\$2.00-\$3.00

Food Vendors & Volunteers

During the festival, volunteers have \$5 food vouchers that are treated as CASH. These vouchers are only given to volunteers and vendors can redeem these at the end of the weekend or the end of each day at **NLFB's Control Booth** for cash.

\$5 Menu Item - We encourage food vendors to create a special \$5 menu item for volunteers. This can be a small meal and a drink.

PLEASE NOTE: Cashing in the vouchers needs to be done BEFORE you leave the festival. We will not accept them after.
