MISSION

- A commitment to reflect the cultural diversity of Northern Ontario in its operations and programming.
- Commitment to develop, support and acknowledge the value of local artists and performers.
- Commitment to community engagement and partnerships.

Northern Lights Festival Boréal (NLFB) is a veteran music and arts presenter and non-profit organization with charitable status in Northern Ontario that celebrated its 50th year of programming in 2022. The organization provides valuable exposure and career development opportunities for emerging artists, while also presenting highly acclaimed artists, and keeping the region on the map for acclaimed touring acts by welcoming an average of 15k patrons to Sudbury's beautiful Bell Park each year.

NLFB's annual July festival is a celebrated and respected cultural event, which celebrates and highlights the support of its various sponsors and partners.

The festival presents a strong component of Francophone, Indigenous, and other multicultural content each year, in line with regional population demographics and the diverse cultural makeup of the Canadian population. The majority of NLFB's operations surround the annual summer festival, however the organization also presents many other cultural events, like our springtime world music festival, 'BLOOM'.

NLFB is offering you the chance to be visible, celebrated and recognized by thousands of community members, including your employees and their families, as an equitable, diverse, inclusive and caring community leader.

VISION

- Commitment to build links with the community through cooperation and partnership and cross-promotional activities.
- Commitment to develop, support and acknowledge the interests of its audiences and developing their appreciation of the arts.
- Commitment to develop support and honour the work volunteers.
